Debbie Fischer, SRES®

A broker since 2004, Debbie Fischer started her real estate company following her career as an executive director for senior living communities. There, she learned first-hand the challenges that seniors and their families face as they navigate late-in-life transitions. Recognizing an unmet need in the community, Debbie utilized her talents and insights to the community and launched Brevard Relocate Realty Group and has since built a rapidly growing brokerage. Beyond her specialized services, Debbie has built a reputation as a client-centric REALTOR® with a knack for planning, execution, and personalized care.

Currently serving Brevard and Indian River Counties of Florida, all the REALTORS® at the brokerage have earned the Seniors Real Estate Specialist® designation, and together they offer seniors a one-stop-shop to fulfill their real estate needs. Their goal is to serve the community and offer a much-needed product that really hadn't existed in the county before. Debbie explains, "These are often complex transactions, so everyone on our team is a seasoned agent. When working with clients, we consider the entire situation, not just the sale of a property... it's really a comprehensive service for seniors when it's time for a life transition." Likewise, Debbie and her team are well-versed in senior-oriented services. Through their free at-home consultation, they share their insight to many resources available to seniors including area assisted living communities, retirement communities, and other next steps seniors and their families might consider.

Debbie's experience as a licensed nursing home administrator instills confidence and security in seniors making the transition to their next chapter. When not working with clients, Debbie is involved throughout the county with educational events and senior expos. She writes a monthly article for Helping Seniors of Brevard, serves on the Board of Directors for the local chapter of AARP, a member of the Florida State Guardianship, Brevard Human Services Association, and Brevard Assisted Living Association. In her free hours, she most enjoys time spent with family and friends, her butterfly garden, and traveling to various areas throughout Florida.

As for the future, Debbie's brokerage is primed for steady growth, and intends expand the number of SRES® designees and the areas they serve in Florida. "It's always been my mission to improve the lives of seniors and do all that I can to give back."
